STAT

3. [redacted] LIAISON Received a call from Steve Hofman, Congressional Research Service, Library of Congress. Mr. Hofman requested two maps of Zaire and one map of Africa which would show the small towns involved in the recent conflicts. I told Mr. Hofman I would check and be back in touch. I asked [redacted] NFAC/CSS, to handle this request.

STAT 24. [REDACTED] LIAISON Called Roy Copson, Congressional Research Service, ~~Library of Congress~~, to inform him that we were unable to find any information on the harbors Walvis Bay and Luderitz in South West Africa. Copson appreciated our making a check, and said he would try to get the information from the Department of Navy.
